

Petition for Short Plat

400 N Mill St
PO Box 229
Colfax, WA 99111
(509) 397-3861

Pre-application

Applicants for all development permits such as variances, conditional uses, and short plats are encouraged to contact the Building & Community Development Associate or City Administrator prior to submitting an application to discuss the nature of the proposed development such as requirements and restrictions.

Application Procedure

1. File a complete application with the City Clerk along with \$275 fee (non-refundable)
2. Public hearing is held for preliminary review by Planning Commission
3. If the Planning Commission gives preliminary approval, recommendation will be made to City Council.
4. Council makes decision based on Planning Commission's recommendation
5. Record with Whitman County Auditor's Office

Submittal Requirements

A complete application is required before the City of Colfax can proceed with technical analysis and make an informed decision on a short plat petition. Below is a list of materials that are required for short plat applications. The City of Colfax will not process any application until all the items on the list have been submitted. Please consult with the Building & Community Development Associate if you have any questions. All application materials become public information.

Required Application Materials

- Complete short plat application form.
- Letter addressed to Planning Commission requesting short plat.
- Full legal description and plot map of the property showing dimensions, setbacks and easements
- Application Fee of \$275 (non-refundable)
- Surveys shall be required for all short plats and shall be prepared by a registered land surveyor or engineer.
- Applicant and Notary Signatures

Standards for Submittals:

- After the Planning commission has given its preliminary approval, there shall be filed with the city clerk an original mylar or other approved reproducible material tracing and ten prints, which shall meet the following standards:
- A. The short plat shall be numbered as designated by the Whitman County auditor;
- B. Drawn in ink to a scale not smaller than one inch equals one hundred feet on a sheet of eighteen inches by twenty-four inches;
- C. The short plat shall show the legal description, the boundary and dimensions of the original tract, including its assessor's parcel number, and all adjoining public or private roads and identifying names of such;
- D. A vicinity map drawn to a scale of four inches equals one mile of sufficient detail to orient the location of the original tract;
- E. Name and address of the owner of record of the original tract, scale of the drawing, and north directional arrow;
- F. The tract(s) or lot(s) of land proposed to be sold, leased or built upon, each of which is designated by numerical designation; dimensions of each tract or lot;
- G. Width and location of access to all short platted lots;
- H. The location and use of all buildings on the original tract (may be eliminated in the final plat);
- I. Space on a second eighteen-inch by twenty-four-inch sheet shall be reserved for covenants, restrictions, comments and signatures of the appropriate owner, city and county officials;
- J. Surveys shall be required for all short plats; provided that if there is sufficient existing survey monumentation, which means that at least two of the boundaries were included in a previous survey and one corner is also monumented, then the short plat committee may waive this requirement.
